## Admission Committee

### About the Committee:

At the beginning of every academic year, the Admission Committee is formed to organize and finalize the admission process to various programmes available in the college.

The committee establishes and implements the criteria for admission to the various programmes. It maintains a strong presence across various social media platforms. In addition, the members engage in direct interaction with students through orientations. This is done to ensure queries are addressed, and also to build and showcase the programmes of the college through advertisements.

### Objectives:

- To assist the management in getting maximum admissions to various programmes.
- To facilitate guidance and interview procedures pertaining to admissions in the college.
- To help solve queries of parents and students interested in taking admission to the different programs in the college.
- To be responsible for assuring compliance with the admissions policies and practices of the college.
- To decide on all matters relating to admissions of students.
