Health Unit

Health is wealth and it needs to be protected. Health Unit our College has worked towards creating a healthy society by educating health-related issues precautions and protection, caring health through awareness among students. The activities of the Health Unit are multifaceted and include a special lectures, blood donation awareness, blood donation camp organizing competitions on special day observation

Vision

Our vision is recognized as an exceptional program for delivering healthcare management and leadership education among our students community

Mission

Regular health awareness Programme organize in collaboration with health department and NGOs, Health education providing and made our student health information literate.

Objectives

- Providing preliminary treatment in emergencies on the campus before professionals take over.
- Spreading awareness about diseases concerning the public like PCOD, COVID,, etc. mainly through Special Lectures on the campus by doctors, and government organizations. Raising awareness about a disease is a process that seeks to inform and educate people about prevention, and early detection, and is key to ensuring effective treatment.
- Organizing regular programmes for maintaining fitness and a healthy lifestyle like Yoga training programme under the guidance of experienced yoga teachers,

- campaigning about healthy dietary habits and the importance of hygiene in the prevention of diseases.
- Organizing outreach programmes like awareness campaigns about malnutrition, Dengu, Malaria, etc. in nearby localities and villages. MOU through Collaborative organize programmes
- Collaborating with the government in its health-related campaigns like Dengue and Malaria awareness campaigns, COVID vaccination camp, Blood donation, Girls menstrual and highline sanitization of college premises before reopening of campus physically after lockdown period, etc.

Health unit activities are carried on in offline as well as online modes. In the coming years, the Health Unit wishes to introduce a Student Health Card where the health of every student would be monitored during their tenure by regular checkups by visiting doctors.

Youth Red Cross Unit

"The Youth Red Cross" is a constituent of the Indian Red Cross Society (Karnataka): A group movement organized at the initial stages for students between 18 to 25 years of age. We in our college, have a Youth Red Cross in associate with NSS Unit

Vision

To inspire, encourage and initiate at all times, all forms of. Humanitarian activities so that human suffering can be minimized, alleviated and even prevented, thus. Contribute to creating a more congenial climate for peace.

Mission

All YRC efforts are guided by three fundamental principles: Promotion of health and life. Service to the sick and the suffering. Promotion of national and international friendship to develop the mental and moral capacities of the youth.

Objectives of Youth Red Cross

YRC aims at inculcating in youth the ideals and practice of service specially in relation to:

1. Taking care of their own health and that of others.
2. Understanding and accepting civic responsibility.
3. Promotion of national and international understanding and goodwill by using their international link of the movement.
4. Promotion of volunteerism

Academic Activities can be conduct:

1. Blood Donation Camp
2. Medical Awereness
3. Eye Check up and Donation
4. Road safety Awareness
5. First Aid Training
