HUMAN RIGHTS CELL

“To deny people their human rights is to challenge their very humanity”.- **Nelson Mandela**

“Human Rights are not a privilege conferred by government. They are every human being's entitlement by virtue of his humanity”. – **Mother Teresa**

According to United Nation “Human Rights are rights inherent to all human beings, regardless of race, sex, nationality, ethnicity, language, religion or any other status. Human rights include the right to life and liberty, freedom from slavery and torture, freedom of opinion and expression and many more. Everyone is entitled to these rights, without discrimination. Keeping the guidelines in the forefront, SUBN Theosophical Women's College, Hosapete formed the Human Rights Cell to raise awareness among students about the concept of Human Rights and the importance of it in today's society.
